According to the *ICOM Statutes* (article 5, section 3), “National Committees shall be responsible for collecting membership fees from their Members and remitting them to ICOM before the deadline set in the call for membership fees sent by ICOM”, i.e.:

no later than 1st April 2026.

COUNTRY CATEGORIES

ICOM’s membership fee policy includes five (5) categories of countries, which reflect different national economy’s ability to contribute. These are defined according to the Gross Domestic Product (GDP) per capita by Purchasing Power Parity (PPP) of every State, as published by the International Monetary Fund for 2024 and in accordance with the annual average of monthly exchange rates as published by the Banque de France (EUR 1 = USD 1,08205).

In accordance with the ICOM Internal Rules, the Membership fee rates are approved by the General Assembly, upon proposition by the Executive Board. At its 165th Session (23-24-30 March 2023), in line with the *ICOM Strategic Plan 2022-2028*¹, the Executive Board proposed a revision of the membership fee policy and decided to submit it to the General Assembly for adoption at its 38th Session (9 June 2023). The revised membership fee policy was eventually adopted by the General Assembly on 9 June 2023 and has been applied as from 2024.

The revised membership fee policy consists of two (2) key elements: the five (5) categories of membership and the five (5) categories of countries, defined according to the Gross Domestic Product (GDP) per capita by Purchasing Power Parity (PPP) of every State, as published by the International Monetary Fund. In order to strengthen diversity, inclusion, and fairness in membership for the poorest countries, Category 4, with the lowest GDP range, was divided into two (2) categories: 4 and 5.

	GDP per capita by Purchasing Power Parity (PPP)
Category 1	GDP higher than €54,000
Category 2	GDP ranging between €31,000 and €54,000
Category 3	GDP ranging between €9,500 and €31,000
Category 4	GDP ranging between €4,100 and €9,500
Category 5	GDP lower than €4,100

¹ The *Strategic Plan 2022-2028* focuses on three areas, including best practices in governance and management. One key objective is to ensure ICOM’s global diversity is well-represented across the association. To achieve this, the plan calls for increasing membership from under-represented regions, leading to the creation of a fifth membership category.

STATUTORY AND REGULATORY RULES AND PROCEDURES

1. LEGAL STATUS AND RELATIONSHIP WITH ICOM

The statutory and regulatory texts of ICOM define precisely the legal status of a National Committee, which shall be constituted as **a separate legal entity** (*ICOM Statutes*, Article 14) and shall adopt its own rules in compliance with the *ICOM Statutes*, the *ICOM Internal Rules* and the *ICOM Code of Ethics for Museums* (*ICOM Internal Rules*, Article 6.2).

As ICOM is a **not-for-profit entity**, the National Committees – representing the ICOM’s interests at the national level – must comply with ICOM’s values, missions and objectives. National Committees shall thus adopt the status of a not-for-profit entity.

Each National Committee shall contribute to the **realisation of ICOM’s programmes** and ensure the management of ICOM’s interests within its State of establishment (*ICOM Internal Rules*, Article 6).

2. BANK ACCOUNT

All money received by the National Committee shall be deposited in **a bank account established for this purpose** and all payments made on behalf of the National Committee shall be made from that bank account, as a National Committee of ICOM is an independent legal entity. Therefore, a National Committee shall not use a private bank account (e.g. held by the Chair, Treasurer or any other individual) to receive membership dues or to transfer them to the ICOM’s bank account.

3. MEMBERSHIP FEE RATES

Article 5 - Section 1 of the *ICOM Statutes* states that “*each Individual, Institutional, Student and Supporting Member of ICOM shall pay an annual membership fee at a rate recommended by the Executive Board and approved by the General Assembly*”. These annual membership fees must be paid in **Euro** (EUR) by the National Committee and transferred to the ICOM's bank account.

In addition to the annual subscription recommended by the Executive Board and approved by the General Assembly, the National Committee may decide to impose **a surcharge** that must be clearly identified as such, and used to support the functioning and operations of the National Committee. This surcharge may also be used by the National Committee to cover the bank charges related to the transfer of membership dues to the ICOM Secretariat, in particular in case of fluctuations in the exchange rate.

4. PERIOD COVERED BY THE MEMBERSHIP FEES

The membership is annual and covers the calendar year in question, i.e. **from 1 January to 31 December** (Article 5 – Section 2 of the *ICOM Statutes*). Unless members specify otherwise, all membership dues received after 30 September of the current year shall cover the membership fees for the following year.

5. ANNUAL STICKERS

Each year, upon receipt of the amount notified to an existing member, the National Committee shall provide the concerned member with a **(1) sticker bearing the current year** to be physically placed on the ICOM card, thus **indicating that the membership fees for the current year have been duly paid**.

The 2026 stickers will be available from 1 October 2025 upon request, by filling out the attached form and sending it to the Membership Department **before 31 December 2025**, along with (i) any unused 2025 stickers, and (ii) any outstanding membership dues.

In line with ICOM's accounting standards and practice, the ICOM Secretariat will ensure that the number of stickers distributed to the National Committee corresponds to the current number of members up to date with their membership dues. Therefore, the 2026 stickers will be sent to the National Committee **only upon receipt of any and all outstanding 2025 stickers by the ICOM Secretariat.**

6. COLLECTING AND TRANSFER OF MEMBERSHIP DUES

In accordance with the *ICOM Statutes* and the *Internal Rules*:

- Article 14 of the *ICOM Statutes*, "A National Committee [...] is responsible for the management of its Members (including, but not limited to: the collection and transfer to ICOM of membership fees, the transmission of information to International Committees)..."
- Article 5 – Section 3 of the *ICOM Statutes*, "National Committees shall be responsible for collecting membership fees from their Members and remitting them to ICOM before the deadline set in the call for membership fees sent by ICOM".
- Article 4 – Section 2 of the *ICOM Statutes*, "National Committees shall [...] forward [...] the annual membership fees [...] to the ICOM Secretariat as soon as possible".
- Article 6.1 of the *ICOM Internal Rules*, "A National Committee shall be a primary channel of communication between the members and ICOM headquarters, and shall in particular be responsible for: [...] the collecting of annual subscriptions on behalf of ICOM and their transmission to the Secretariat".
- Article 2.1.1.1 of the *ICOM Financial Regulations (Methods of transferring funds)* of the ICOM Financial Guidelines, "ICOM membership dues are transferred to the ICOM Secretariat via the National Committees [...]".

In light of the above, the **collection and effective transfer of the annual membership fees** by the National Committees to the ICOM Secretariat is an **obligation of each National Committee under the ICOM statutory and regulatory texts.**

As a result, ICOM members must pay their annual membership dues **to the National Committee** (if one (1) exists), and not directly to the ICOM Secretariat.

7. TRANSFER OF MEMBERSHIP DUES TO THE ICOM SECRETARIAT

➤ **When?**

According to the *ICOM Statutes* (Article 5 – Section 3), "National Committees shall be responsible for collecting membership fees from their Members and remitting them to ICOM before the deadline set in the call for membership fees sent by ICOM", i.e. **no later than 1 April 2026.**

It is imperative for National Committees to adhere to this deadline to ensure the **effective functioning and governance of the organisation**, as membership dues constitute ICOM's primary source of income. Additionally, delays in transferring membership dues directly affect the work of ICOM International Committees, making it challenging to determine their membership and identify the voting members, as updated member lists cannot be provided promptly.

In order to meet this deadline, National Committees must collect the membership dues during the last quarter of 2025, i.e. **from October to December 2025.**

➤ **To whom?**

All membership dues shall be transferred **to the ICOM Secretariat in a single (1) payment, together with the paid-up members list.**

If, under exceptional circumstances, a National Committee has to transfer the membership dues in two (2) payments, it shall immediately inform the ICOM Secretariat accordingly.

➤ **How?**

The payment procedures must adhere to (i) the national laws and regulations of the country of establishment of the National Committee, (ii) international standards, and (iii) the statutory and regulatory texts of the organisation.

Accordingly, membership dues must be transferred to the ICOM Secretariat **by bank transfer**, from the bank account opened and maintained in the National Committee's name to ICOM's bank account. This secure and traceable payment method ensures complete transparency of the financial flows within the organisation, thereby preventing any potential for money laundering.

When transferring the membership dues, each National Committee must provide the ICOM Secretariat with the following information:

- **bank references** (in case of a bank transfer) and **object of payment**,
- **list of members** for whom the payment was made (i.e., the *paid-up members list* - please complete the attached template Excel file, included as an **Annex**).

Membership dues are to be paid to the ICOM Secretariat in **EUR** by **bank transfer to the ICOM's bank account**, as follows:

Bank Name: SOCIÉTÉ GÉNÉRALE
Account Holder Name: ICOM
Swift Code: SOGEFRPP
Bank Address: 50, Rue D'Anjou - 75008 Paris (France)
IBAN: FR76 3000 3016 7800 0500 0762 443

When paying by bank transfer, each National Committee shall ensure that the amount sent is sufficient to cover potential **bank handling charges**, and that full details of the payment, including **the name of the National Committee**, is mentioned on the bank transfer order.

8. SUSPENSION OF RIGHTS

Membership fees become due on 1 January of each year, and are payable to the National Committee no later than 1 April of each year. National Committees must notify the ICOM Secretariat of any members who have not paid by the deadline. **These members may be denied their membership privileges** and shall not be allowed to participate in their National Committee's and ICOM's activities. Additionally, they will be ineligible to seek election or vote on any matter before the National Committee and/or any ICOM organ until the membership fees are paid.

9. ICOM SOLIDARITY FUND

The ICOM Solidarity Fund is an account which consists of the **total surplus from financial transfers of membership dues at the end of the year**. It was established in response to the increasing challenges and difficulties some National Committees may face in transferring their membership dues to the ICOM Secretariat.

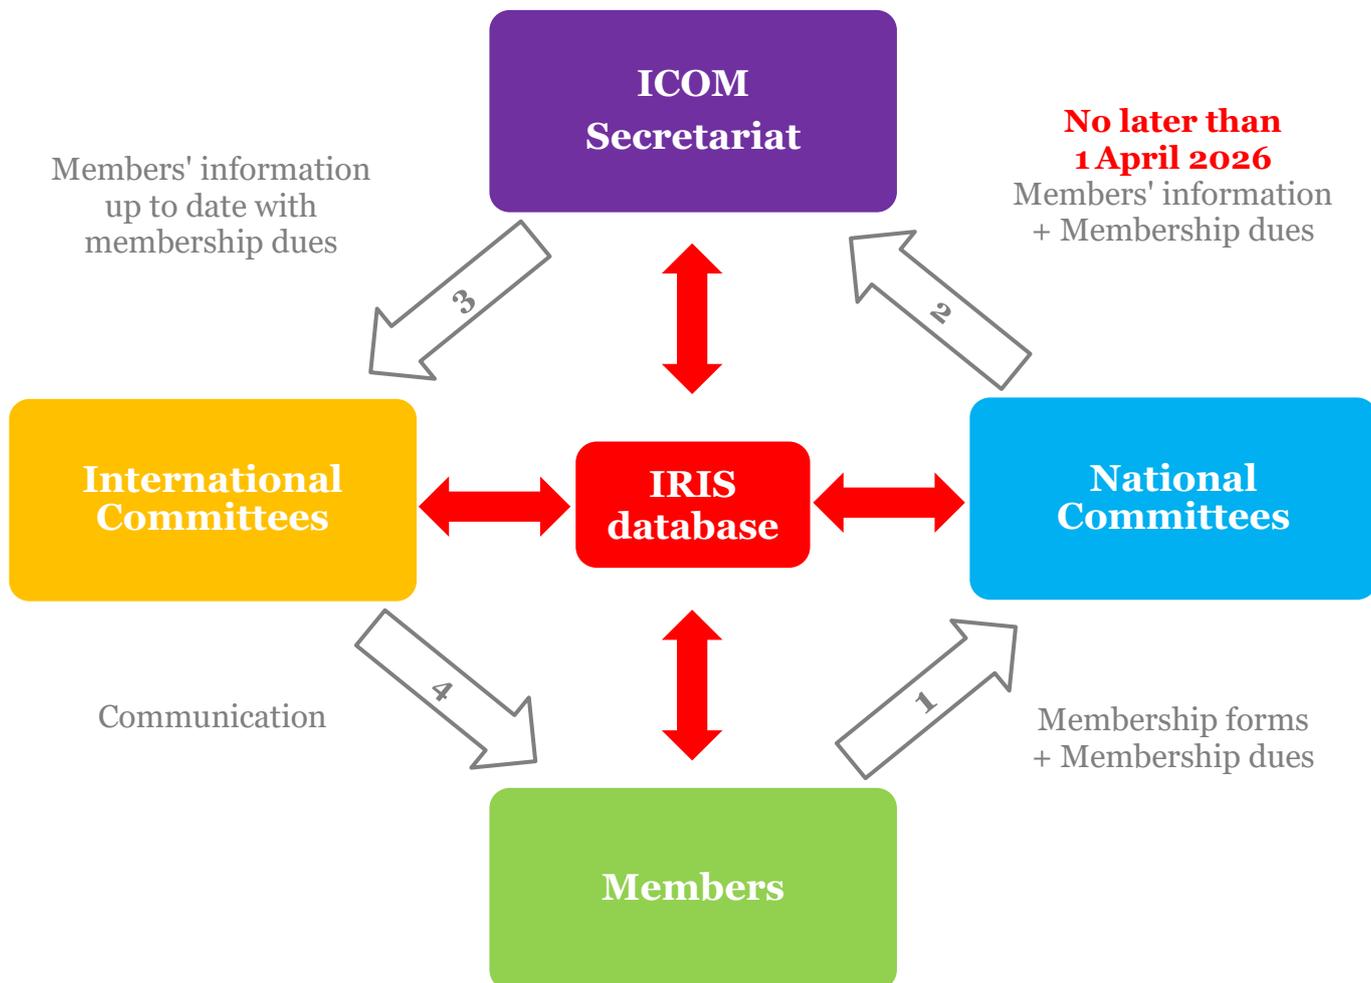

Each National Committee is kindly invited to contribute, on a voluntary basis, to the ICOM Solidarity Fund, depending on its financial resources and capacity, through a voluntary overpayment of its membership dues. This contribution aims to support the National Committees in need. For more details, please refer to the *Guidelines to support ICOM National Committees having difficulties transferring their annual membership fees to the Secretariat*, included as an **Annex**.
